HATBORO HIGH SCHOOL
Hatboro - - Pennsylvania

ALMA MATER

Now here's
to good old
Hatboro High
School, our
praise of
her will
never lack.
To her we
pledge our
best endeav-
ors, and
rally 'round
the red and

black. With
loyal hearts

and firm
convictions,
we'll fight
for her
with might
and main.
Now here's
to good old
Hatboro High
School, come
let us echo
the glad
refrain.

CHESTER H. BARNES

DEDICATION

In years past and present we have all come to know and admire a man who has always been cheerful and willing to give his helpful advice.

We appreciate sincerely the aid he has given this class. He is never too busy to work out something with us nor does he hesitate to discuss our problems with us.

We, the graduating class of 1946, are indeed grateful and deeply honored to dedicate this yearbook, HY HATTER, to a man who will always be remembered with our sincerest devotion, Mr. Chester H. Barnes.

RUSSELL E. ALDEN
Sponsor

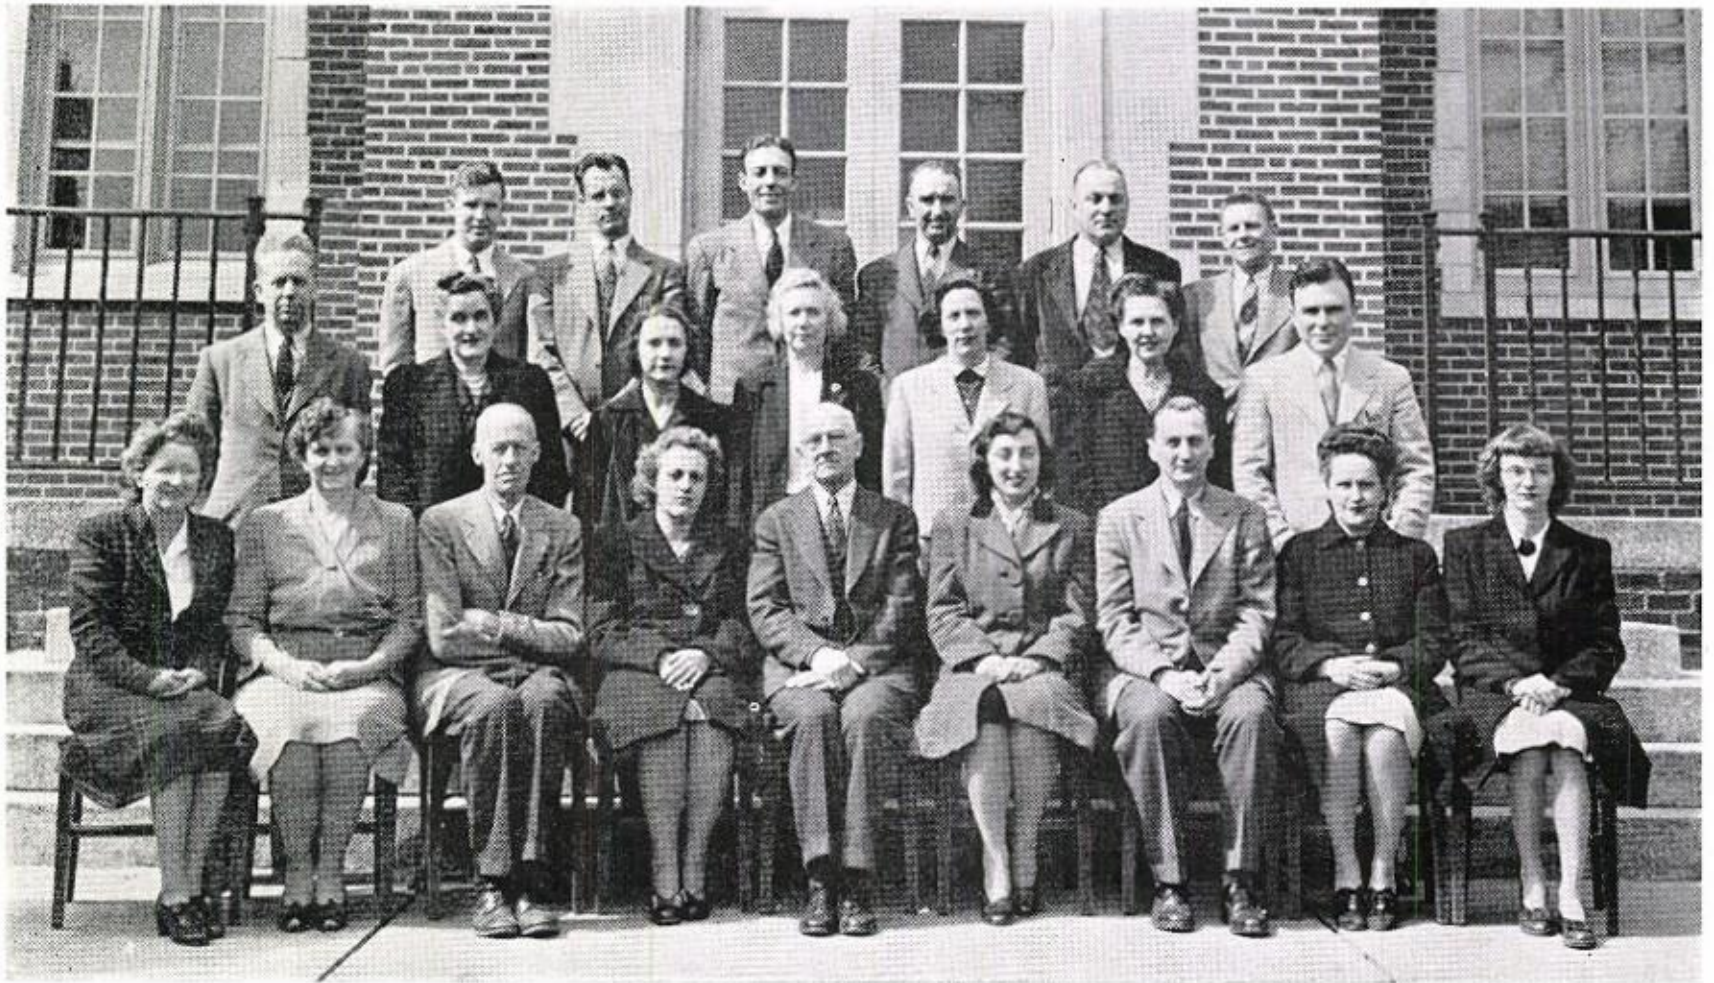

ACKNOWLEDGMENT

We, the Seniors of 1946 wish to express our deep appreciation to Russell E. Alden for taking the responsibility of sponsoring this HY HATTER. We also wish to extend our gratitude to Mr. Franklin Cutshall and Mr. Joseph Stewart of the Marland Engraving Company, Mr. Fred Barnes of the Westbrook Publishing Company, and the National Publishing Company for making our yearbook possible.

CHARLOTTE D. GREINER

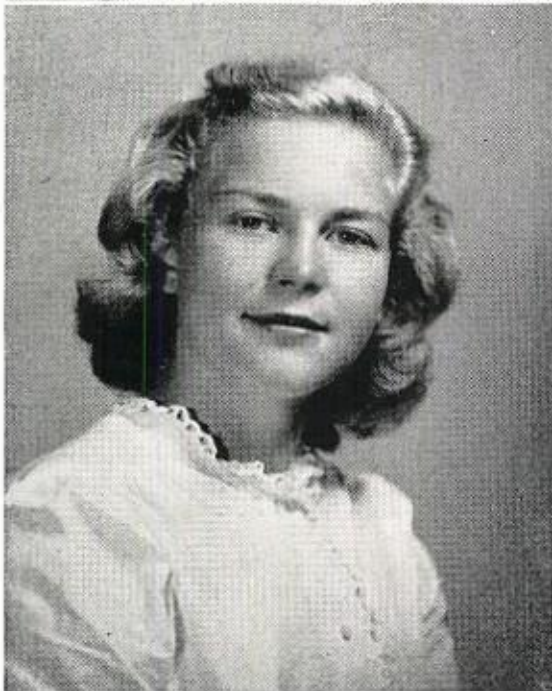

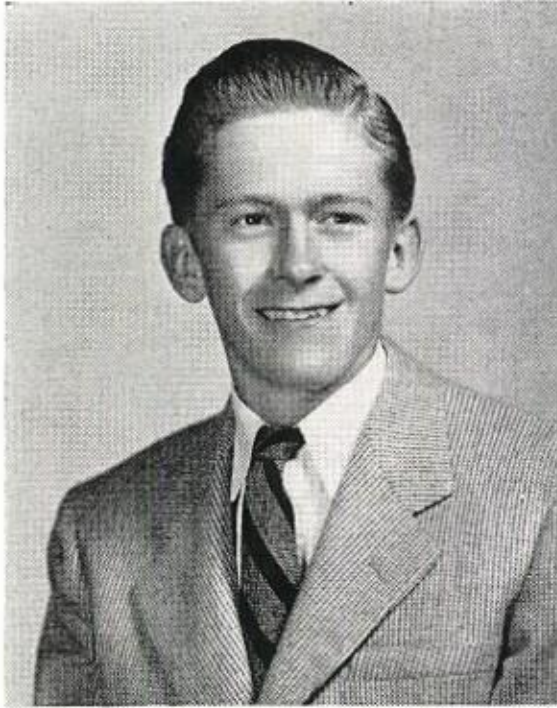

The two advisers of the Senior Class are Mrs. Mae Stookey and Mrs. Charlotte Greiner.

Mrs. Stookey is the teacher who keeps room 9 in order. What a job, too! She teaches English and also directs the class plays. We are all grateful to her for the many helpful suggestions which she has given us during our years in school.

Mrs. Greiner, a new member of the faculty this year, was assigned room 10. She teaches shorthand, typing, and business English. We all appreciate the way she has adapted herself to our strange customs, and we are grateful for her friendly and thoughtful suggestions.

Both teachers are kind enough to sponsor our dances and supervise our activities. We sincerely want to thank them for all they have done for the class of '46.

CLASS OFFICERS

RICHARD DYER, *President*
GERTRUDE FETZER, *Vice-Pres.*

On a wet, dreary day in September of 1942 a group of miscellaneous characters assembled in a pretty brick building just south of Hatboro. It wasn't long, however, before this assorted conglomeration was welded into an efficient, unified body. It seems hard to realize that only four short years ago the class of '46 was a mob of kids in strange surroundings among unfamiliar faces. Through the respective efforts of Mrs. Norris, Mr. Klinger, and Miss Kruger we soon were fast friends and members of a class equal to the best. Social life that year was limited to dances given by the other classes because we lacked experience in putting over money-making functions. We were learning, though. The highlight of the year was the Freshman Reception given by the class preceding us. Later we were to repay their thoughtfulness. School finally drew to a close, and our first and hardest year together was over.

Once again, the following year, we trooped to the pretty red brick building, and we were greeted in our Sophomore season by our new sponsors, Mrs. Piltz, later to be replaced by Miss Irwin, Mr. Beach, and Mr. Claypool. We got off to a roaring start by giving a reception in honor of the Freshmen. By now our class was a smoothly running team, capable of almost anything. We gave several skating parties which shattered previous records for funds collected. Also highlighting the season were sports in which many of our members participated. Later in the year the money-making influence of our skating parties prompted us to give a Sophomore Hop. Once again our teamwork and unity prevailed, and the dance was a complete success, not only as a money-maker, but as a downright good time. At the end of the year a party to celebrate was in order so we had a swimming party. Will anyone ever forget the cool May air that turned us a rather pretty pale-blue? Probably not, but

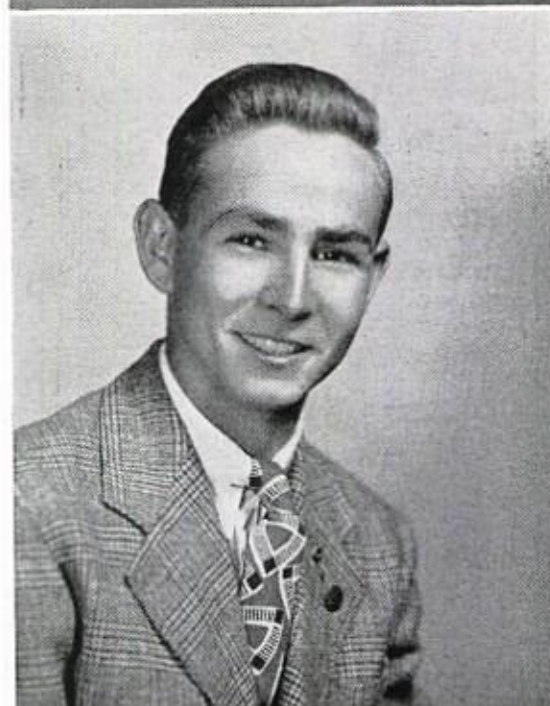

despite that, it was a great time. As a matter of fact, the whole year was a great time.

Finally our Junior year rolled around. It was a year of hard work, fun, and thrills for everyone. The big highlight of the sports season was the spine-chilling game with Doylestown in which we forced them out of the Bux-Mont Championship. Not long after, we gave a Thanksgiving Dance that was really wonderful. Once again the so-called "ship of state" was in the hands of our capable class officers and sponsors, Mr. Alden and Mrs. Davis. The whole system was spotlighted

CLASS HISTORY

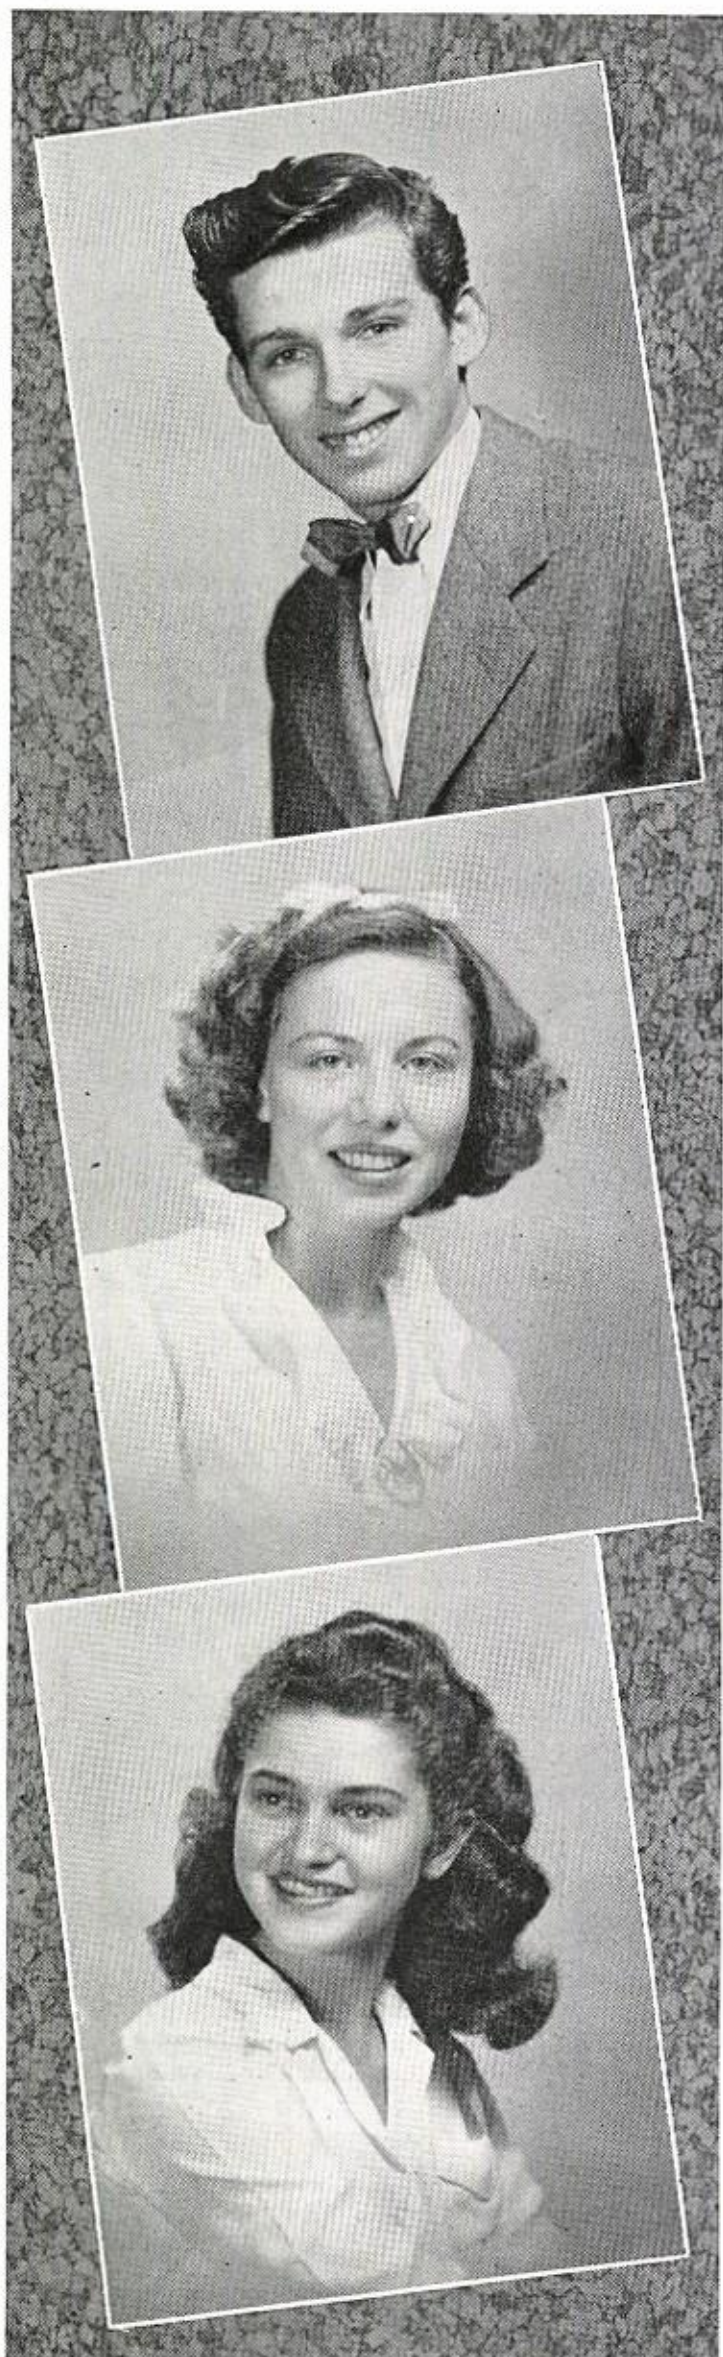

with dances to make money for the prom and to meet the next year's expenses. We really gave the Seniors a terrific prom. A wonderful dinner followed by hours of dancing highlighted the evening. Never had the Old York Road Country Club had such a gay crowd of young people. It is believed by some, in good authority, that a few of the more adventuresome rascals stayed out all night. Our Junior year also showed us that we had a group of Thespians in our midst when we put on our play, *Lady Spitfire*, with great success. The month of June finally drew to a close. After an exhilarating swimming party at Somerton Springs, we bid good-bye to our friends in the class of '45.

At long last our Senior year became a reality, our twelfth and final year at the red brick building we had called home for so long. The football season was marked by a fine dance in October and the smashing defeat of Upper Moreland as the autumn drew to a close. It was with heavy hearts that the football and hockey players turned in their equipment for the last time. It was like losing an old friend. But little things like that are part of the game so we plunged into the task of publishing the yearbook and discussing the possibility of a class trip. Making money for the class was old stuff now, and our Midas touch kept the treasury well ahead. We were so wealthy that we were willing to sustain a loss on a formal dance. This we did. The girls looked as nice as they did at the prom the year before, adding more to the evening's festivities. Mrs. Greiner and Mrs. Stookey, our class advisers, helped us immeasurably in all our undertakings, especially with Class Day and our Senior play, *Miss Jimmy*, which was an inspiring success. Toward the end of the year the Juniors gave us a wonderful prom and once again a night of festivity was set firmly in our memories. The class took a trip in April, the first to do so in many years. Washington, D. C. was the objective, and a rousing good time was our motive. When we safely came home from Washington (?), we turned our attention to the problems of Class Day and all that goes with it. Graduation, the long looked for day, marking a step into a new and different life, was near at hand. I dare say, too near for some. Class Day was a roaring success, enjoyed by all. The big night, Graduation, arrived, and we received our diplomas, our reward for twelve years of work. As we left the building that night, never again to come back as pupils, we wondered what the future had in store for us, what success, what privations, or what fame.

MARY ANNE PARK, *Treas.*
WILLIAM HAINES, *Sec'y*

JUNIORS

The class of 1947 started its activities this year by presenting the annual Thanksgiving Dance on November twenty-third in the gymnasium. Dick Pierce's orchestra furnished the music which was enjoyed by everyone.

The officers of the Junior Class this year are President, William Slack; Vice-President, David Weist; Secretary, Jean Smith; Treasurer, Edward Dachowski.

The annual Junior play was entitled *Ride 'Em Cowboy*, a farce in three acts, which was given on March eighth in the auditorium.

In the spring the Juniors gave the Seniors the annual Dinner-Dance, commonly known as the prom, at which all had an enjoyable time.

SOPHOMORES

The Sophomores started their second year in high school by giving the Freshmen a hearty welcome at the Freshman Reception.

Their class officers are as follows: President, John Haiues; Vice-President, William Jones; Secretary, Ethel Hoover; and Treasurer, Marilyn Maure.

The first money-making project was a skating party held at Willow Grove Park on January 11, 1946. Another project carried on by the tenth grade is a store which sells pencils, notebooks, and pennants.

This year the homeroom teachers are: Miss Kauch, room 16; Mr. Beach, room 15; and Mr. Alden, room 17. They are always ready to guide these happy-go-lucky Sophomores who seem indispensable about our school.

FRESHMEN

One of the largest classes is the Freshmen Class which numbers nearly a hundred. Their homeroom teachers are Mr. Fay, Mr. Klinger, and Miss Hamel. Each of these rooms has a chairman to take charge. Jean Gero is Chairman for room 23; Betty Ann Gottshall, room 21; and William Dimon, room 20. These rooms have had different parties during the course of the year.

An outstanding contribution of the ninth grade to the school this year was a map, showing the population of the Hatboro schools. Different colored pins were used for the primary, intermediate, junior and senior high school pupils—one pin for each person. It was presented to Mr. Barnes who is using it as a basis for the study of population trends as they relate to educational problems.

SEVENTH and EIGHTH GRADES

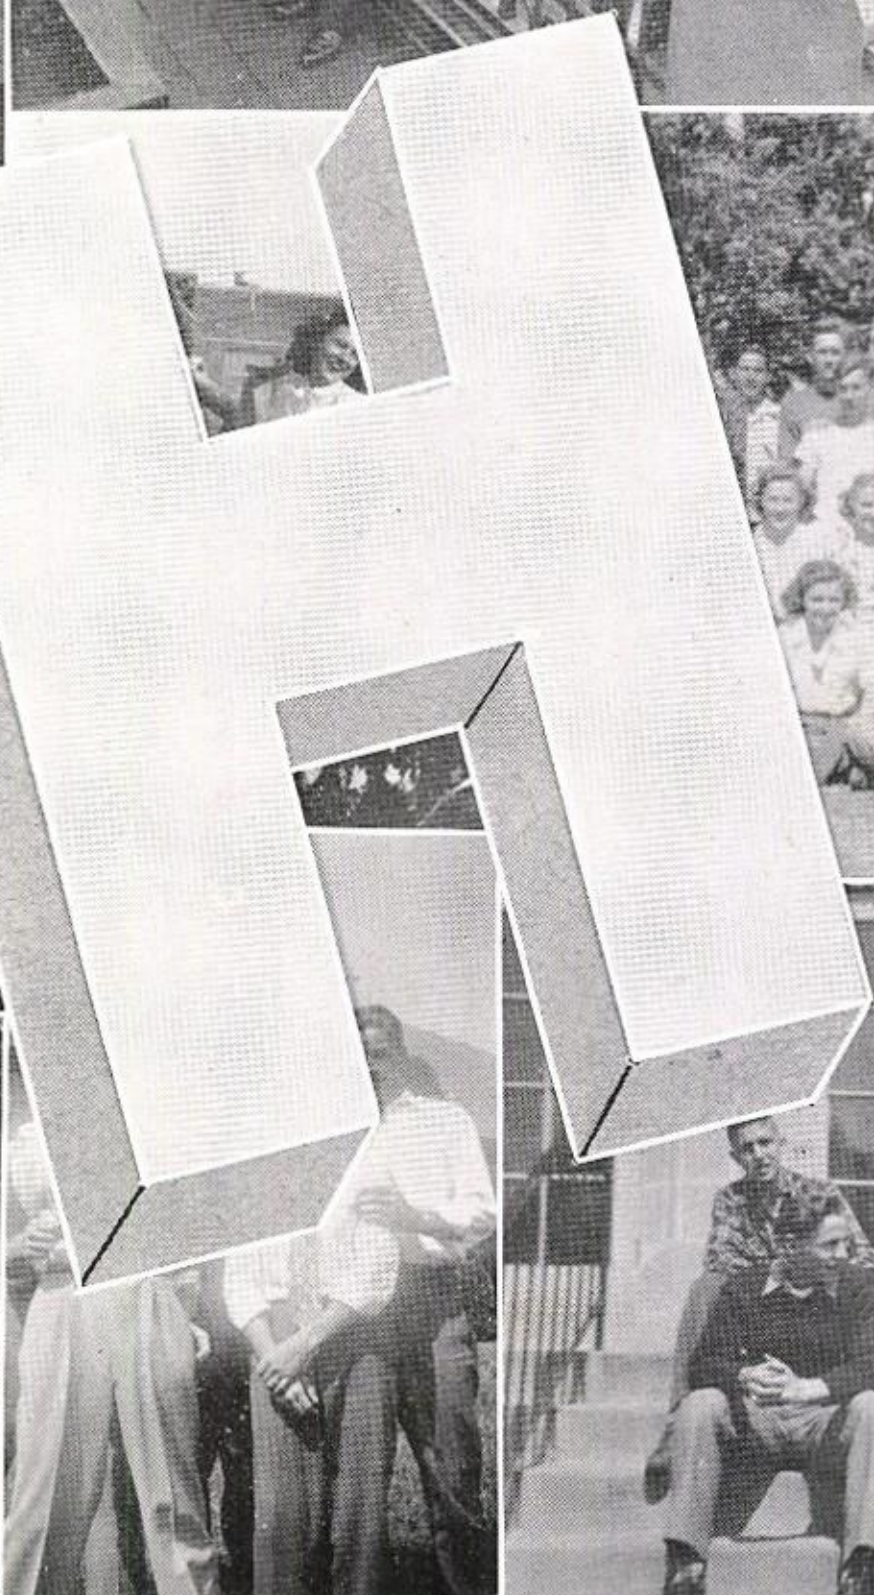

It is the first year in the high school building for the seventh grade. They certainly can sell football tickets. What ambition these boys and girls have!

One of the homeroom teachers is the art teacher, Miss Rieg. The other is Mr. Smith, a new member of the faculty this year. Miss Rieg sponsored a tour to Philadelphia one fine day last fall. A bus was chartered for the vacation.

Eighth grade is a "peppy" group of pupils who are always ready to help with the activities about the school.

The homeroom teachers are Mr. Smith and Mr. Fay, both of whom are liked by everyone.

Levinities

SENIOR PLAY

Miss Jimmy

The subject of conversation December 13, 1946, was the Senior play, *Miss Jimmy* directed by Mrs. Mae Mickey Stookey and presented with the help of the other teachers serving on committees.

This spectacle of college days and of youth in full bloom was filled with entertainment and humor.

The cast was headed by Lillian Hatzis as the wise cracking sophomore at Brier Mountain College for Women. Her roommate, Louise, was Mary Anne Park. Catherine, a junior, was played by Doris Whiteside and her roommate, Doris, was Jean Browning. Doris Crouthamel portrayed the character of Harriet, a very snobbish senior. The role of Miss Watkins, dean of the college, was enacted by Jeanne Jones. Droopy, the colored janitor who provided laughs for all, was Bill Haines and Jack Hoetzel acquired an English accent for the evening to play the role of Professor Frazier. The college youth, Jimmy, was cleverly portrayed by Elmer Moore. The entire plot surrounded Jimmy's initiation into the Mask and Wig Society at his own boys' college.

Mention must be made of Elaine Binder who so ably prompted for rehearsals and who, due to the sickness of one of the cast, stepped in to take a part the evening of the performance.

The play was filled with laughs for the cast and audience alike.

DANCES

One of the recreations most popular with many students, including the Seniors, is dancing. Throughout a school term there are many such activities presented for the enjoyment of all.

Special dances give opportunities to some of the outstanding dancers and enable them to win prizes.

The Seniors' activities for the year began with a dance October 5, 1945. Reds Conner's orchestra provided the music for dancing and entertainment. This event occurred during the fall season of football games.

A Valentine's Dance was sponsored by the Seniors February 16, 1946, in the gymnasium. The instrumental music was provided by Dick Pierce's band. This occasion was the first activity of the second semester.

The Seniors also patronized the Thanksgiving Dance. This annual event, given by the Juniors, climaxed the football season and the last game for some of the players.

These dances provide a splendid opportunity for all the classes to get acquainted socially.

NATIONAL HONOR SOCIETY

The National Honor Society is an organization of honor groups in more than a thousand schools throughout the United States. The highest honor to be conferred upon an individual in high school is membership in this society.

Membership is based upon outstanding achievement in four fields—leadership, scholarship, character, and service. To be eligible, a student must have an average of 2.4 which means between A and B throughout his high school career. The National Honor Society permits a maximum of fifteen per cent of any class to have membership.

Not only in Hatboro High but throughout the United States, membership in this society is looked upon as a real accomplishment, worthy of being a goal for any student.

In the 1900's many school administrators took into consideration the idea of having an honor for secondary schools. Mr. Snearyson, who is referred to as father and founder of the National Honor Society, remarked that scholarship did not seem ample enough to provide credit to the society. A committee decided on the four fundamental virtues most worthy of encouragement. Today these four are an inducement to young people throughout the country.

STUDENT COUNCIL

The Student Association is composed of all the members of the high school. The executive body of the organization is the Student Council. Its President and Vice-President are chosen by the representatives at large. The Council members are chosen from the homerooms, and the Secretary and Treasurer, from the council.

The Student Council has for its purpose the developing in each student the ideals, purposes, and high standards of Hatboro High. The school philosophy is based on democratic principles, and this system is emphasized by the Council.

Through its members, the Council promotes student participation in all projects worthwhile to the school. Its aim is to develop citizenship, leadership, initiative, and good sportsmanship in those young people who will help to make up the America of Tomorrow.

The Council takes an active part in providing and promoting social pleasure for students.

music

B A N D

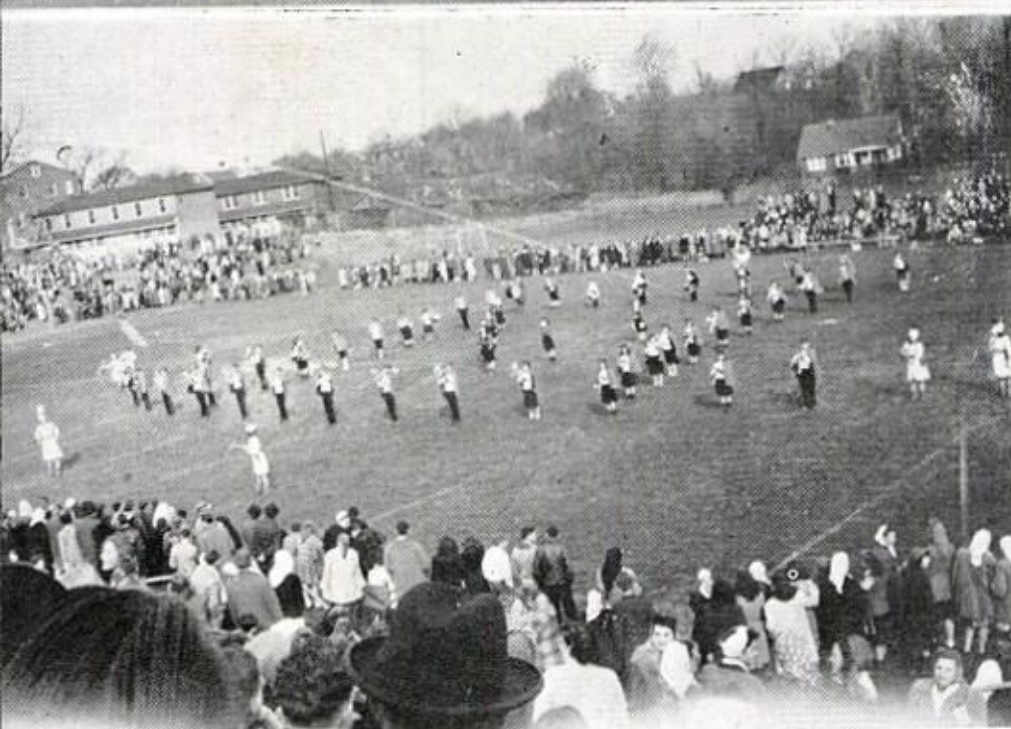

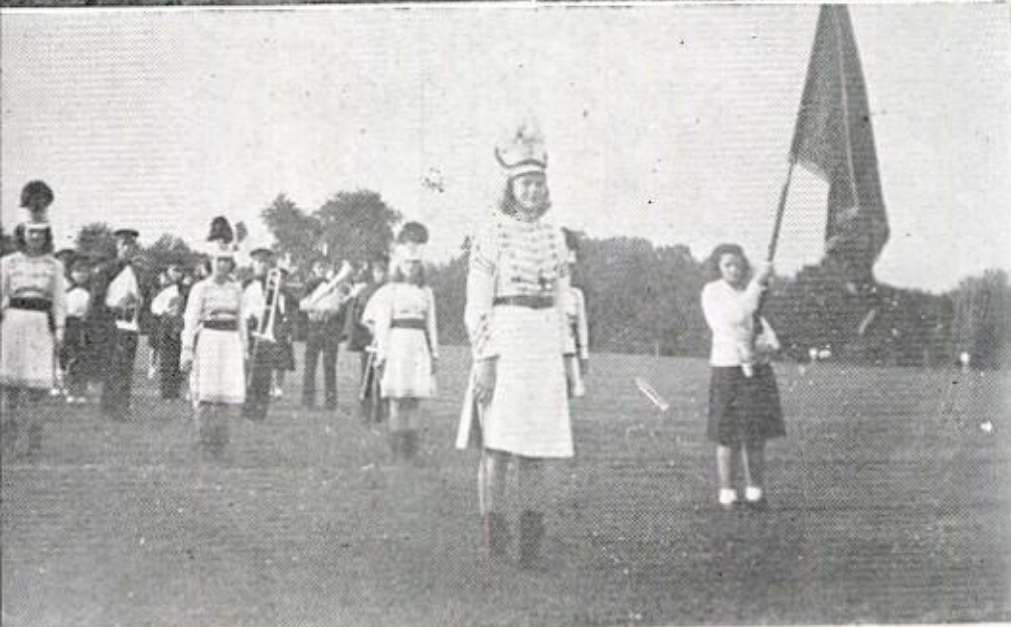

The band is very active during football season, adding color, music, and cheer to the football games. It also adds stiff competition against Upper Moreland in the rally and on Thanksgiving Day. Frequently the band played at the basketball games, helping the cheerleaders pep up the crowd. This group is always willing to play in assemblies and pep meetings, too.

Upon request the band plays for the meetings of the Parent-Teacher Association. It also took part in the Dedication Services in Horsham, Lacy Park, and Ivyland. In celebration of V-J Day, the Hatboro Band, among other school bands, took part in the Victory Day Parade in Glenside. A plaque given in appreciation of the Band's services that day, was presented the night of the spring concert.

The band also takes an active part in the annual Spring Concert. That evening the audience always looks forward to their lovely selections.

This year, as was customary before the war, a few members of the band will attend the District Music Festivals held in Phoenixville and the State Music Festivals.

ORCHESTRA

Under the direction of Mr. Manderville Bartle, the orchestra is active in many functions. It performs for all Junior and Senior plays and every year this group plays for the Memorial Service held in the auditorium. Besides the fun and entertainment of Class Night, the individual talented members of the orchestra play for their fellow students and parents. Everyone is familiar with the heart throbbing "Pomp and Circumstance" to which the Seniors step down the aisle at Commencement. We must not forget to be grateful to the orchestra when they fill assembly programs with their music.

The loveliest presentation of all is the Spring Concert in which the whole Music Department participates, filling the evening with color and music. The orchestra always sounds superb on that night.

Many of the members have also attended concerts by the Philadelphia Orchestra at the Academy of Music.

GLEE CLUB

Approximately one hundred girls of the Junior and Senior High Schools under the direction of Miss Hester Fleck comprise this group. The officers are as follows: President, Gertrude Fetzner; Vice-President, Mary Anne Park; Secretary-Treasurer, Alice Hobensack.

At Christmas time, amid shadows of candles, this group sings beautiful Christmas music. Another annual affair is the Baccalaureate Service at which the girls sing for the departing Seniors.

The most important activity of the Glee Club is the Spring Concert. Months in advance songs are selected and practiced for this gala evening. In colorful evening gowns, the singers blend their voices in perfect harmony the night of the concert.

DANCE BAND

The Dance Band, under the direction of Mr. Bartle and Gertrude Fetzer, has played in assembly programs, after basketball games, and at Hat Rack. Upon request they have played for evening dancing on Saturday nights at the Parish House on Byberry Avenue. The vocal arrangements of the latest songs are nicely sung by our little songbird, Marilyn Hodges.

Results

Sell-Perk 19	0 Hatboro
Doylestown 33	6 Hatboro
Springfield 32	6 Hatboro
Jenkintown 14	0 Hatboro
Lansdale 20	6 Hatboro
Quakertown 13	13 Hatboro
Souderton 0	12 Hatboro
Ambler 53	7 Hatboro
Upper Moreland 0	7 Hatboro

The Hatboro Varsity opened the season September 29th against a speedy Sell-Perk eleven. It was a very unseasonable day which saw spectators in shirt-sleeves. The Sell-Perk team used numerous substitutions and outplayed the tired Hatter first team which played most of the contest. The Twin-Towners won 13 to 0.

The following Friday the boys, with several regulars injured but playing, took a 33 to 6 shellacking at the hands of a Doylestown squad with revenge in their hearts for the upset of a year before.

On October 13th with Springfield in command, the Hatters suffered a third defeat. The Springers, producing their fourth championship team in as many years, emerged victorious, 32 to 6. The lone Hatboro tally was made by Neal Buckman on a short line plunge. This triple-threat back set up the touchdown with a brilliant seventy yard run on a previous play.

Under the arc lights at Jenkintown on October 19th, the Hatters lost a tough game. The Drakes turned back a very stubborn team 14 to 0 on two identical pass plays. In the fourth quarter Wilbur Coleman, the Hatter's speed boy, returned a kick-off almost the length of the field but he was stopped short of a score. Here the Drakes' defense stiffened and prevented a Hatboro score.

Lansdale, who finished in a three-way tie for first place in the conference standing, met a stronger Hatboro team than they expected. The Huskies were glad when this contest came to an end. Our boys made some All-League players look silly on numerous occasions. Score: Lansdale 20; Hatboro 6.

A week later the boys journeyed to Quakertown and played to a dead-lock on the finest athletic field in the league. It was here that Bill Haines, the veteran guard, really proved that he was worthy of All Bux-Mont selection. He provided the needed inspiration by refusing to leave the game, although suffering a severe thigh injury. Dave Wiest's bone-crunching line plunges were also brilliant.

The following Saturday, November 10th,

the Hatters won their first ball game from Souderton. In the first half Jack Roberts intercepted on Indian aerial and galloped seventy-five yards to pay dirt. This consistent performer, and his teammate, Jimmy Lindquist, formed the finest pair of ends in the league. Both were particularly brilliant on defense and also spectacular pass receivers. Score: 12-0.

In the final league game of the season under the lights at Ambler, on Friday, November 16th, the Hatters didn't make a very impressive showing. Ambler possessing the strongest team in the league and one of the strongest in the State pounded our boys to the tune of 53 to 7! The Shingletowners' fast line and array of shifty backs were far too powerful.

The Hatboro eleven climaxed a mediocre season Thanksgiving Day morning when the Hatters defeated Upper Moreland 7-0 before the largest crowd ever to see a scholastic football game in Willow Grove. An all night downpour provided a sea of mud for this, the traditional meeting between the two schools. After a Hatter touchdown had been nullified by a penalty and the third tie in a row seemed evident, the Red and Black gained a narrow margin of victory. Will Coleman caught an Upper Moreland punt in mid-field, and by expert side-stepping, straight-arming, and speed combined with the finest display of blocking in the game, produced a touchdown. The crowd of almost five thousand came to their collective feet and applauded as this boy brought his high school football career to an end by scoring a dramatic winning touchdown for his team and school.

Nelson Mears, captain-elect, showed that Hatboro was ever ready to grab anything that looked like an opportunity when he attempted the conversion. Mears, a tower of strength, scooped up a bobbled pass from center and realizing that he didn't have time to kick just tucked the ball under his arm and raced around his right end to score the conversion point. This was all the scoring, and Hatboro came home victorious, but some were sad because they had played their last game for the Red and Black.

Although the rule book only allows eleven to

play at a time, many other boys pitched in and did their best. Some of them were Bob Turner, expert signal caller; Dick Dyer, a real pass-catcher; Dick Graves, able guard; Jim Kennedy, a shifty fullback; Joe Taylor, a speedy end and good team player who has prospects of becoming a successful back. The Winner twins and Charlie Wilson helped a great deal. Dick Rihsamen, Ed Linquist, John Wishwanick, Bill Jones, Ernie Gero, Henry Richar, Roland Henry, and Wally Sutton were capable replacements.

At the end of the season, the team was honored with a banquet given by the business men and other local sports fans of Hatboro. Awards were given, and there was an excellent group of guest speakers. This was a fine tribute to a team that was far from brilliant.

The squad worked hard under the guidance of Mr. G. Miller, head coach; Mr. Russell Alden, whose personality was inspiring in producing a strong line; Mr. Charles S. Jones, former head coach, whose assistance was appreciated greatly; Carl Sunthiemer, former

Hatboro and North Carolina gridiron great who gave us many valuable helpful hints just because he wished to help the boys.

An important cog of any football team is the captain. Hatboro was fortunate this year in having a great one in the person of Bob Clinton. Bob had all the requirements of a team leader plus a little more. When the going got tough, whether in practice or in a game, Bob never griped, and consequently he inspired many fellows who looked to him for help. He played a major part of the season with a painful thigh injury, but performed like a great tackle nevertheless. As Bob is a farm boy, he had to endure many hardships at home which the average boy doesn't have to contend with. He never complained of hitch-hiking eight miles a day in order to get home after football practice. The respect of the squad and coaches was shown Bob at the banquet by the presentation of a gold football. Although shy and modest off the field, Bob was a mean tackle on the gridiron and will be greatly missed by team of 1946 both for his ability and leadership.

BASKETBALL

The basketeers of Hatboro started the season on December 18th with a bang by taking Doylestown in a thriller, 45 to 41. The Hatters won by a last minute rally after trailing 24 to 17 at the half and 35 to 31 at the three-quarter mark. Team play and fighting spirit along with a couple of mid-court long shots by Captain Dick Dyer carried the Hatboro five to victory in the last quarter.

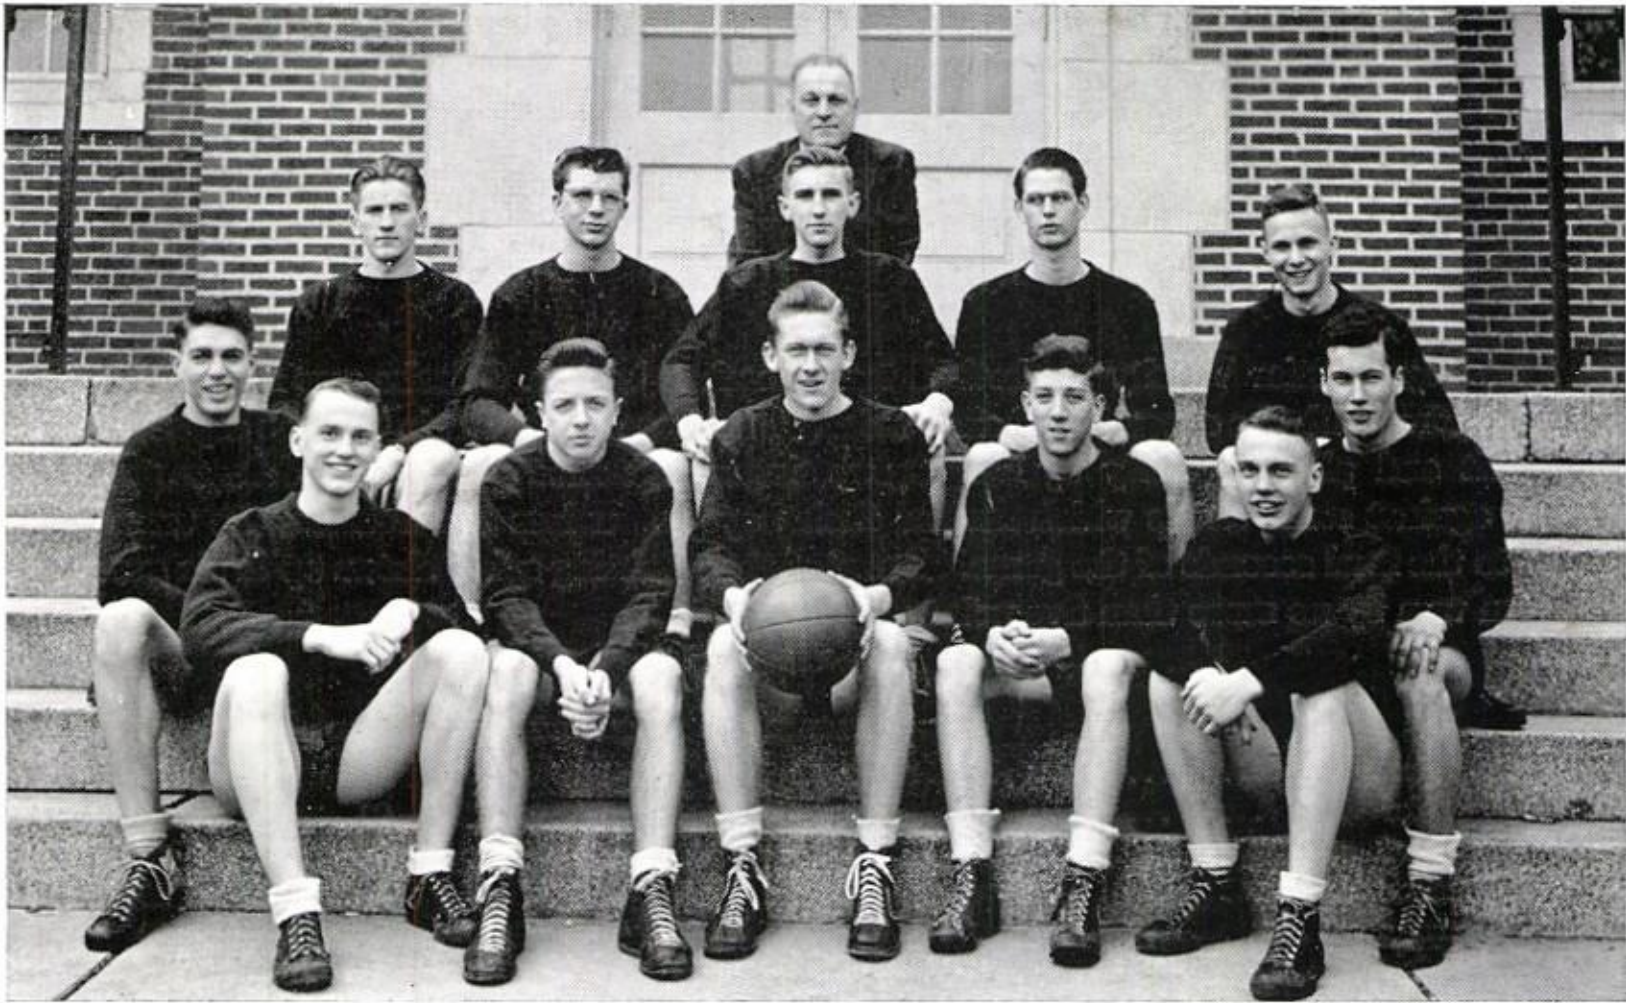

The home season opened with a 45-29 loss to a fast stepping Souderton team. This did not discourage the team, and although they didn't win a great number of games, the scrappy Hatters were never outfought in any game.

Other victories came over the Alumni 43-22 and Doylestown at home 37-26. In several games the Hatboro quintet seemed to be well on the way to victory only to lose the game in the last quarter. Typical of this was the contest with Lansdale on the Huskies' court. The York Roaders held an 18-12 half-time advantage and a 30-19 lead at the end of the third

period. Disaster came, however, in the final quarter as Lansdale racked up 12 straight points and eventually won 35-34. This game, as well as several others which the Hatters lost, was marked by poor officiating.

Some excitement was added to the Sell-Perk fray on our floor. Near the end of the game, fists flew between the opposing centers, Nelson Mears of the home five and Harold Swartly of Sell-Perk. Several Sell-Perk fans ran from the stands to the scene, and consequently most of the spectators came onto the floor. It was five minutes before the referee could resume the game.

The bright spot of the Hatters' season was the loyal backing of the school and home-town fans. The support was a marked improvement over that of recent years. The band and cheerleaders deserve a well-earned thanks. Several loyal rooters and the cheerleaders were always present at away games. This was greatly appreciated by the squad and helped them

provide that good old Hatboro fight.

The starting five loses only one member this year, and they should do great things next year. The boys developed tremendously during the year under the excellent coaching of Mr. Miller and Mr. Orloske.

The Junior Varsity promises a great future for Hatboro High School basketball, as they played brilliantly throughout the season and wound up the year with a record of 20 wins and 3 losses.

Dick Dyer was varsity captain and leading scorer of the team.

Victor Fritts, the tall, lanky guard, starred on defense and was a good backboard man.

Nelson Mears played center and provided the pivot shots for the team. He was a good rebound player.

George Burnett was the rangy forward who mastered the tap-ins and handled the ball well

on fast breaks. He was high scorer in many games.

Joe Bennett, sophomore forward, promises to develop into a great player. He's a good long-shot. He is speedy and a very cool player.

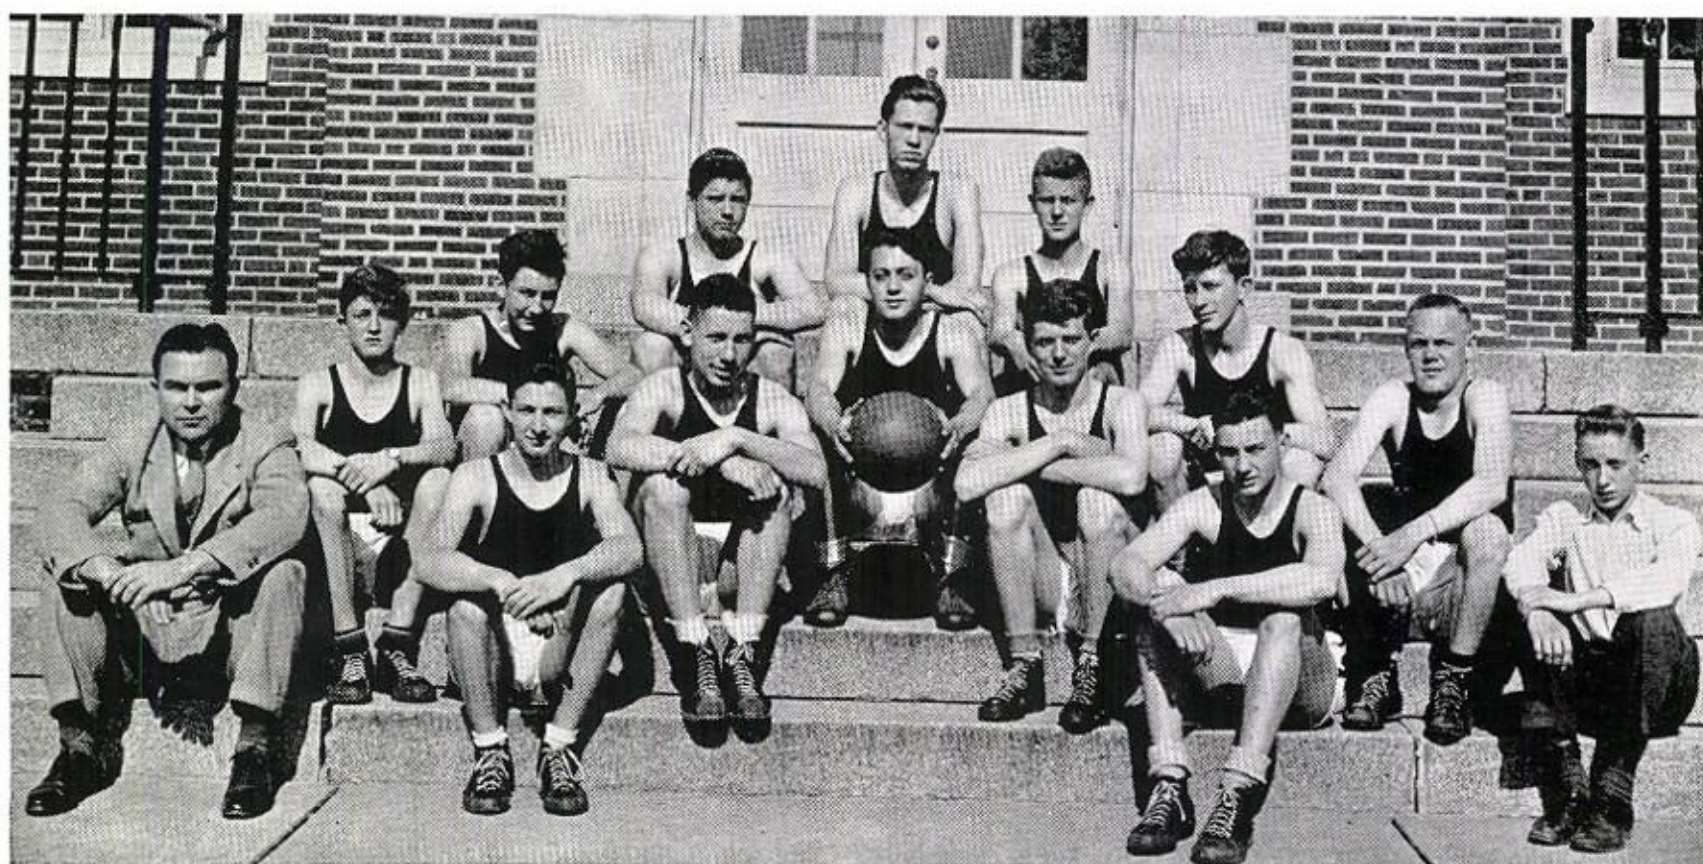

Joe Taylor, Bill Slack, and Jim Kennedy also saw action as starters and along with George and Cliff Winner, Bob Clinton, Charles Wilson, and Dave Wiest aided the team tremendously both in spirit and ability.

A great deal of credit goes to the varsity Captain, Dick Dyer. Dick came here in ninth grade and immediately won a first place berth on the varsity! The "red-head" soon showed that he was a deadly long-shot and a great asset to any team. The hardship of hitchhiking home, a distance of about eight miles, didn't discourage this boy's love for sports. Being a senior, Dick will be greatly missed by Hatboro High School while rival teams are glad that they won't have this farm-boy to contend with any longer.

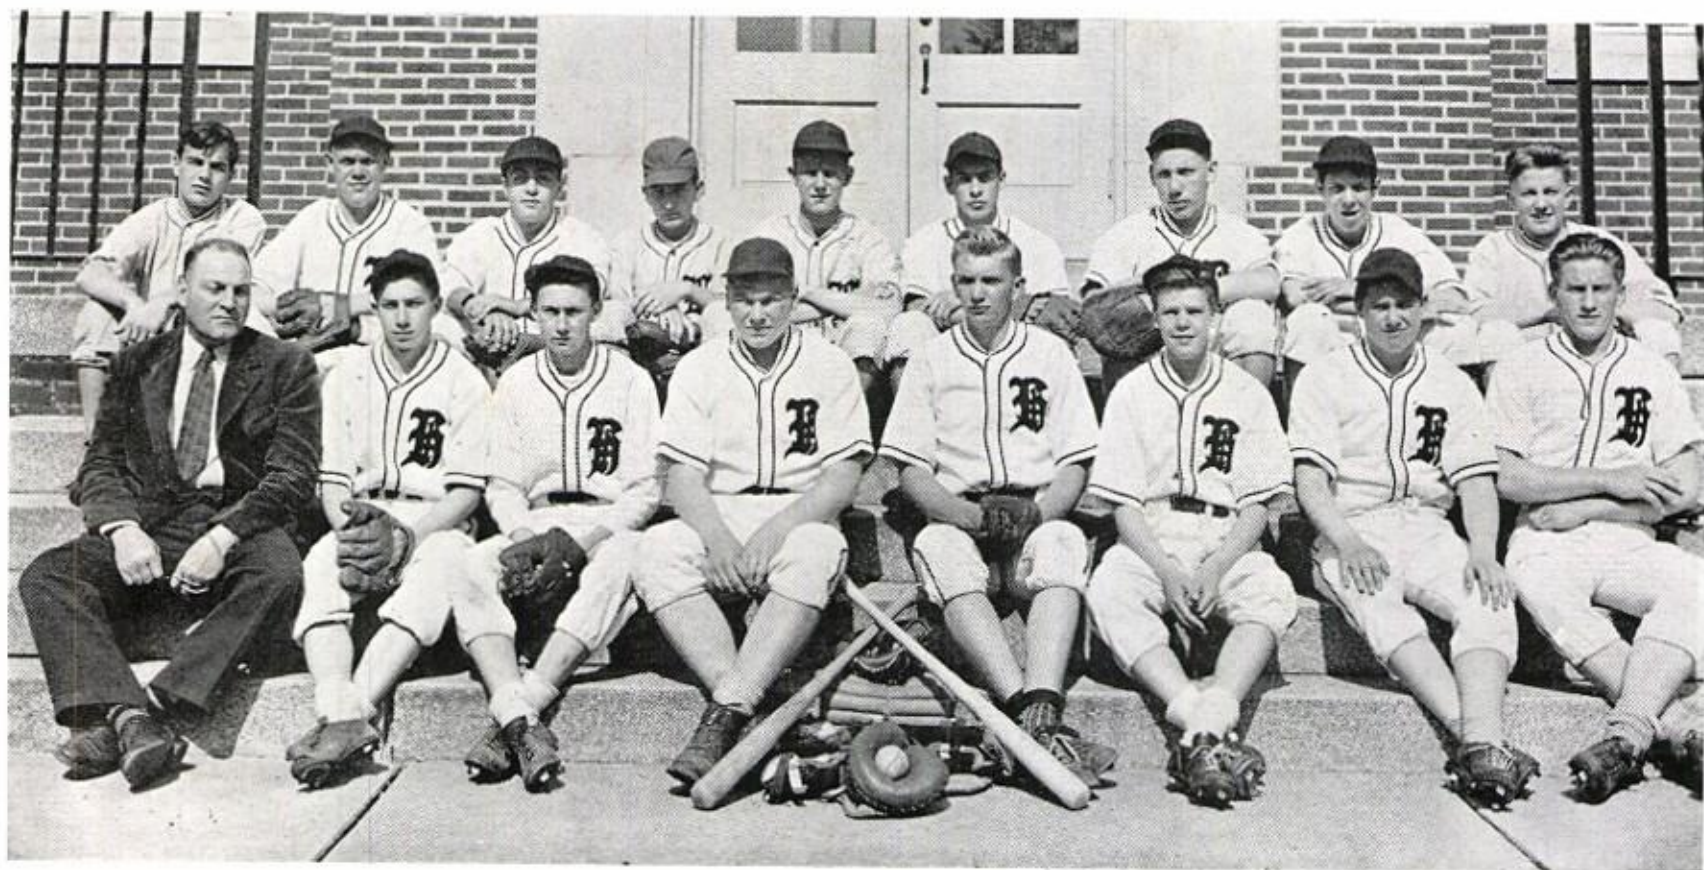

JUNIOR VARSITY BASKETBALL

The Boys' Junior Varsity Basketball team coached by Mr. Orloske was made up entirely of Sophomores with the exception of one Junior. The team led by Ernie Gero as captain, showed real spirit and playing ability by hanging up sixteen victories against two defeats. Although playing against some teams which limited their boys to Juniors and Seniors, the team always fought to the final seconds of the game. Proof of their fighting spirit shows up in six games that the team won by no more than five points.

BASEBALL

The meager baseball schedule of eight games for Hatboro High opened on May 17 on the Hatboro High School diamond. Jenkintown furnished the opposition in a thrilling game won by the Hatters' nine, 3-2. The home team scored three runs in the first inning on one hit and four walks. This ended the scoring for Hatboro as they were held by the Drakes the rest of the way. Jenkintown scored a run in the second inning without the aid of a hit on two walks and an error. The Drakes countered again in the fourth on a walk, stolen base, and a double, the only hit allowed by pitcher Dick Dyer. All totaled, the home team had three hits, two by shortstop Darrell McLane and one by third baseman Fred Hausman. The outfield of Dave Wiest, Irvin Slight, and Henry Richar made several spectacular catches on the defensive side of the game. Kenny Gee played a good game as lead-off batter and second baseman. The veteran Jack Roberts, playing his fourth year on the varsity, held down his first base position and job as clean-up hitter well. Sophomore Wally Sutton caught a grand game and called the pitches well.

Interest in baseball at Hatboro High picked up tremendously this year with numerous candidates reporting for the varsity and junior high squads. Outstanding for the varsity beside those already mentioned are Harold Warner, Bob Clinton, and Bernie Leedom, pitchers; Ernie Gero and Ronnie Morris, infielders; and Bob Hibbert, outfielder.

Under the patience and capable instruction of Mr. Miller, the team practiced diligently until the late hours of the afternoon. If the first game is an indication, the season looks to be a victorious one as this article goes to press.

TRACK

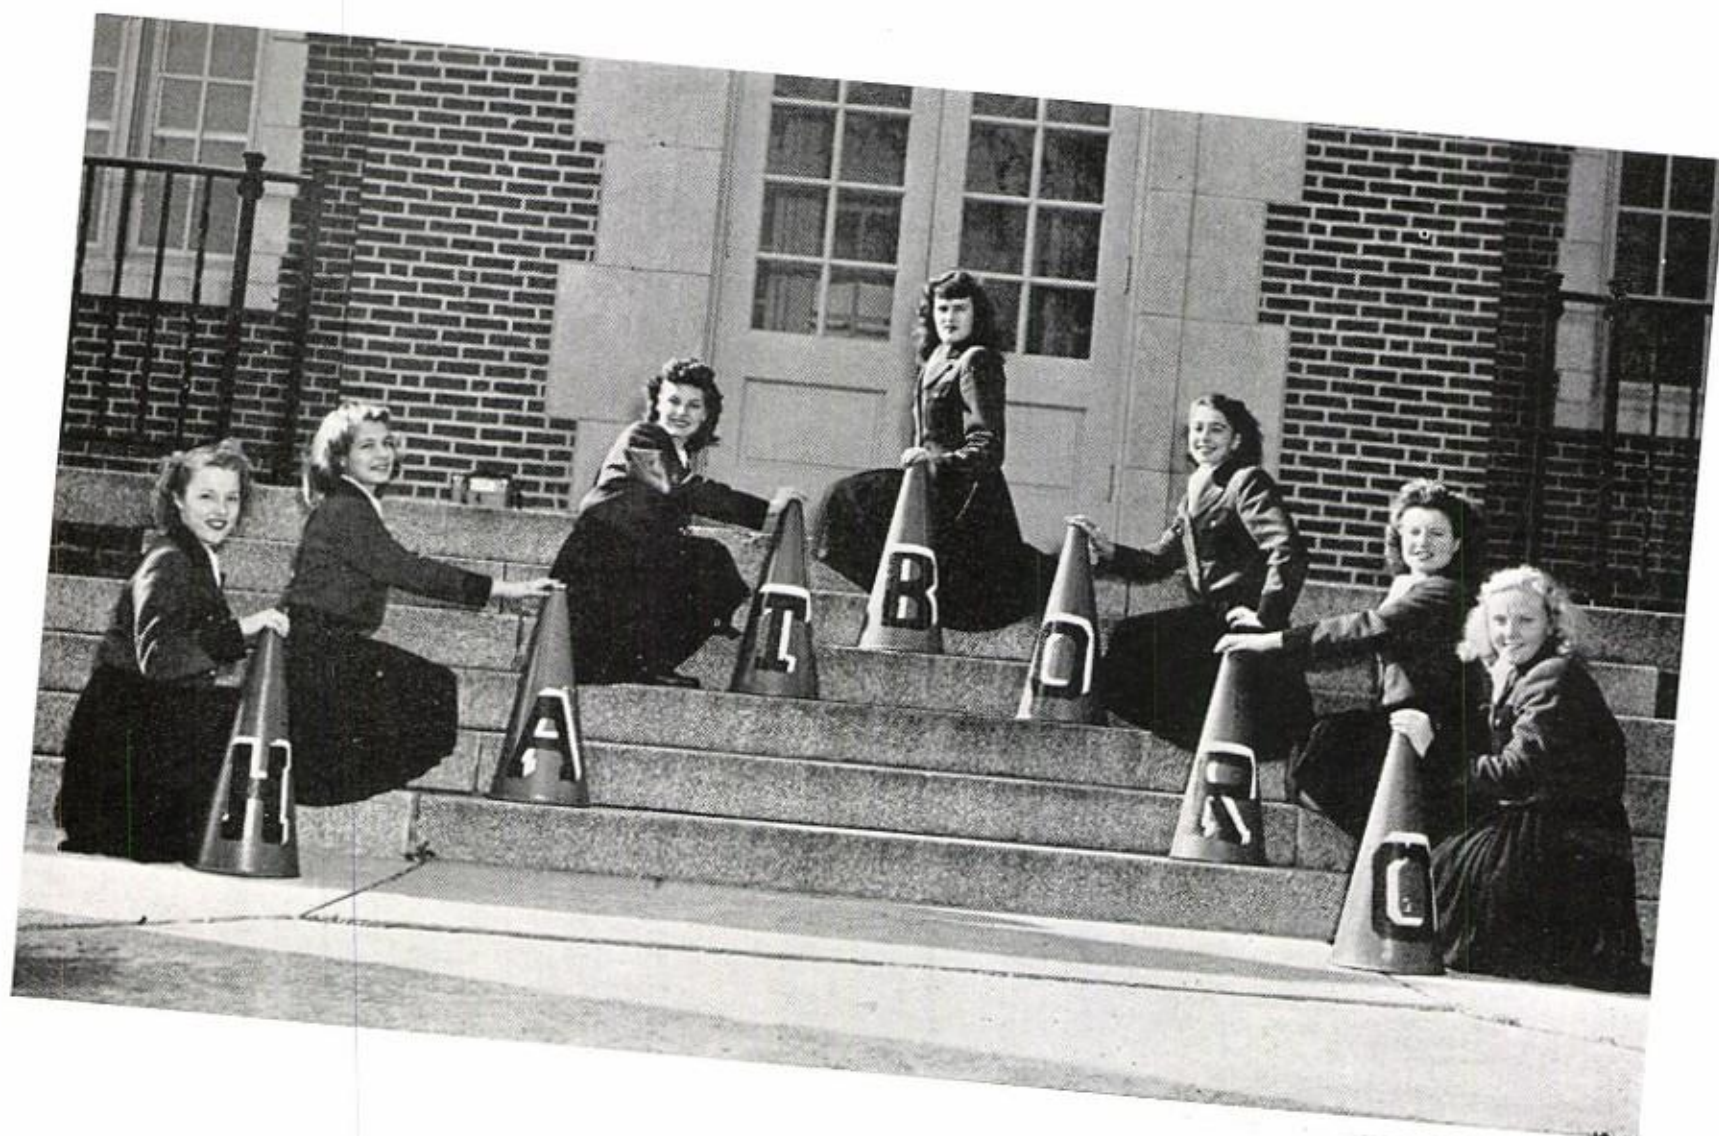

The H. H. S. Track team, led by Captain Wilbur Coleman, experienced a season of marked success and development of future stars. After postponement of the first meet, the team opened the campaign with an encounter with Doylestown on the home track. The Hatters lost this one but showed their potential strength in the following meet with Souderton. The Hatters won the meet, 32 to 27, Nelson Mears taking three firsts in the shot put, broad jump, and hundred yard dash.

Next on the schedule was a triangular meet with Doylestown and Upper Moreland on our cinder path. We missed winning this one by $4\frac{1}{2}$ points as we placed second. Captain Coleman ran the 120-yard low hurdles in 12.9 seconds, breaking his old record of 13.5 seconds.

At the Bux-Mont meet held at Quakertown on May 11, the Old York Roaders placed sixth in the field of ten. Bill Scheiber tied for first in the pole vault and Captain Coleman captured second in the low hurdles. Bill Slack, our ace miler, placed fifth in his event.

Captain Coleman was the only Hatter trackman to place in the P. I. A. A. District One meet held at Upper Darby. He carried the Red and Black colors to second place in the low hurdles and thereby gained a trip to Penn State to participate in the State track meet.

John Wishwanick, Captain Coleman, Nelson Mears, Roland Henry, Joe Taylor, and Charles Wilson were the dash men of the team. Mears, Henry, and Wishwanick also Broad jumped. Joe Taylor and Captain Coleman along with George Burnett and Joe Speicker took care of the high jump. Joe Speicker also pole-vaulted with Bill Scheiber. Bob Clinton and Dave Weist participated with Nelson Mears in the shot put. Bill Slack was our lone miler while Ed Lindquist, Marcus Claire, Dick Reibsam, and Dick Dyer took part in the 880 yard run. Howard Taylor, Joe Taylor, Roland Henry, Charles Wilson, and Bob Gentert composed the relay team.

CHEERLEADERS

Spectators at our athletic events have seen this year seven "peppy" girls in flaming red jackets and contrasting black skirts. These are the cheerleaders of Hatboro High. They lead us in expending our pep and vigor in the right way—by cheering. Their constant activity instills in us a great desire to back our teams—win or lose.

During football season they can be seen directing cheers in pep meetings and at games. Hockey gives them a chance to support the girls as well.

At the basketball games the girls do their cheerleading inside the gymnasium. When baseball season rolls around the girls get another chance to be outside. They are also very active at away games.

During the course of the year we also hear and follow these girls at various assembly programs. Theirs is a year-round job, not always appreciated, but always indispensable.

HOCKEY

The most active outdoor sport of the girls is hockey. This very fast and exciting game brought Hatboro two victories, two losses, and one tie.

The Varsity team was made up mostly of Senior letter girls; namely, Captain Viola Pool (4), Dorie Crouthamel (3), Eleanor Wiley (2), Doris Whiteside (3), Dorothy Fox (3), Joyce Paist (3), Jeanne Jones (3), and Jean Browning (2). The rest of the Varsity players were Juniors.

The season opened with a practice game at George School, Hatboro losing by a score of 1-0. The most thrilling game was with Abington, a game the team expected to be tough. Cora Ford made five goals and Eleanor Wiley made one. The game ended with a score of 6-0 favoring the Hatters.

On Jenkintown's field the Hatters were beaten by a close score of 1-2, the only point being made by left wing, Jeanne Jones.

The Hatboro team was again defeated on their home field by Cheltenham. Cheltenham scored five goals in the first half to the Hatter's one, by Jeanne Jones. In the last half Cora Ford made two points and Jean Browning made one, ending with a score of 4-6.

A return game with George School ended in a tie, 1-1.

The last game was on Hatboro's field against the undefeated Ambler team. Hatboro upset the apple-cart and won 4-0.

The hockey season was completed with a banquet at the Old Mill Tea House. The evening was marked with a dinner, the presentation of gifts, and dancing.

GIRL'S BASKETBALL

The Girls' basketball season of '46 proved to be a triumph for the Hatters. We feel that most of our success was due to the patience and guidance of our coach, Jeanne B. Irwin. We also believe that we had one of the best girls' basketball teams ever to play on the Hatters' court. All the girls of our squad fought for the honor of old Habtaro High.

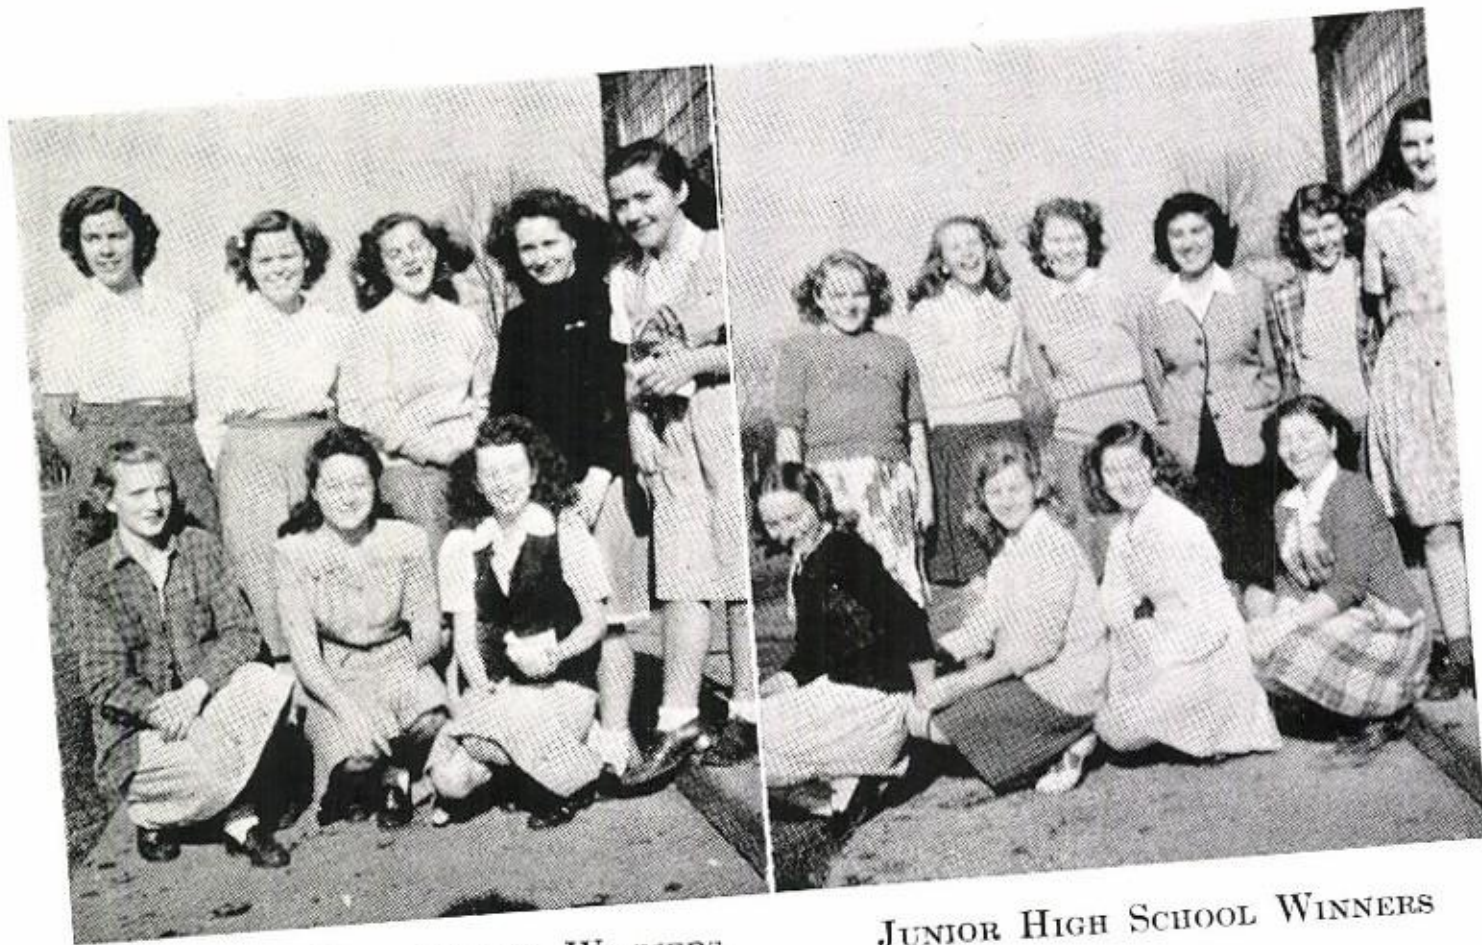

The Varsity Squad consisted of Gertrude Fetzner, Captain; Cora Ford, Dorothy Fox, Mary Anne Park, Viola Pool, Alma Corson, Jean Leopold, Betty Brockman, Ann Keeble, Aloma Krieder, Jean Smith, Jean Burnett, Mary Lois Kennedy, Nellie Stellander, and Ruth Knipe. Doris Valentine was the Manager; Kitty Trautwein, Assistant Manager.

Our first defeat was handed us by Abington. Hatboro lost in the last ten seconds, 25-24. Fighting to the end in the game with Ambler, we were defeated for the second time, 34-18. In our third game we trounced Southampton, 41-28. The next game with Cheltenham was also a victory for Hatboro, 52-28. When the Hatters routed George School they chalked up their third victory, 37-20.

The best games and most thrilling of the whole season were those between Hatboro and Upper Moreland, both out to get each other. These games are always a fight to the finish, but Hatboro being the stronger team, came out on top both times to the tune of 24-18 and 37-9.

The final standing for the season was five victories, two losses, and one tie.

Good luck to next year's Varsity.

SENIOR HIGH SCHOOL WINNERS

JUNIOR HIGH SCHOOL WINNERS

VOLLEYBALL

Intramural volley-ball became an exciting part of our sports program. One hundred and forty-four girls in the high school participated. There were eight teams in the Junior High and eight in the Senior High.

The tournament was eliminative, and after four weeks of competing the winners were determined.

The winning Junior High team:

Jacqueline Plant
 Susan Collier
 Patsy Null
 Virginia Bennett
 May Hancotte
 Jean Gero
 Helen Hill
 Betty Dorman
 Madeline Strobe
 Elaine Barford

The winning Senior High team:

Ruth Knipe
 Aloma Krieder
 Alma Corson
 Nellie Stellander
 Betty Brockman
 Kitty Trautwein
 Arlene Jock
 Jean Smith
 Jean Burnett
 Cora Ford
 Ann Keeble
